I, [REDACTED] ATTEST That These Details at This Event Are, To The best of my knowledge TRUE.

Sometime Between 1970 And 1973, During which I was A member of Boy Scout Troop 1000, The troop went to Rifle River CANCE BASE. ~~On one~~ Several Times, On one of These Camping Outings, Our Scout Master BOB Rudy ended up Sharing A Tent with me. I was Between The Age of 12 to 14. During The Night BOB persuaded me to move closer to him, in order to keep warm, And put his Arms Around me to keep me close And warm. (At That point I thought nothing of This Because BOB often put his Arms Around or on the ~~should~~ shoulder at us Scouts.) Shortly After That I felt his hand close to my underwear And still thought nothing of This. After That I began to suspect That his ~~later~~ Actions were not Accidental ~~or intentional~~ BOB Then started to Fondle my penis outside of my underwear, This went on for quite A while, Possibly A half An hour. Some time After That He slipped his hand inside my underwear And fondled my penis. This went on for quite A long time Also Probably An hour or so. At The time I was very Frightened of This And was not sure what would happen to me if I resisted his approach. I could not sleep That night.

Nothing was said to me And I Avoided Any Situation Like That hereafter.

SUBJECT: Robert Purdy
Troop 30755

Dear Joe:

We received information from you quite some time ago concerning the above-named individual. You indicated that he had resigned from Scouting and was not presently registered.

We agree with you that he should be placed on the confidential file and not registered in the future. I do need a Confidential Record Sheet completed, which would enable us to identify Mr. Purdy should he try to register in some other location.

I am enclosing a new sheet which I would like to have completed. We would like to have this done so we can complete our file and make certain that Mr. Purdy cannot register with the Boy Scouts of America.

Thank you for your help.

Sincerely,

Paul Ernst, Director

Dear Joe:

I would like a Confidential Record Sheet completed for the above-named individual. One is enclosed for your use. This will give us the personal information which we need to identify Mr. Purdy should he try to register in some other council.

If you have any questions concerning this, please do not hesitate to contact me. We do want to close the file on this matter.

SUBJECT: Robert Purdy, Troop S0755

Dear Joe:

We appreciate the information you sent last fall concerning the above named individual. We understand the long time frame and certainly I would not want to raise any issues at this time related to this matter.

I would like, however, to have a Confidential Record Sheet which would enable us to identify Mr. Purdy should he attempt registration at some other location. If you feel you can give us the information which would enable us to identify the gentleman then we will complete our file and put him on what we would call probationary bases. This would enable us to contact any Scout Executive in a council where he might try to register so that the Scout Executive would be aware of the circumstances.

Thanks for your help in this matter.

Dear Joe:

Thank you for the information concerning Robert Purdy. This will be helpful to us in setting up a file in refusing future registration attempts.

A Confidential Record Sheet is enclosed so that you may give us the information necessary to identify Mr. Purdy should he try to register somewhere else.

This case is very old and I wonder if anything more recent has occurred which would help to strengthen our file. If you have access to any information of that type it would be most helpful.

Dear Paul:

Attached find a copy of a written statement from [REDACTED]
[REDACTED] reporting a case of sexual abuse by Robert Purdy, [REDACTED]
[REDACTED] West Bloomfield, Michigan 48033, a Scouter in the
Detroit Area Council.

Mr. Purdy has an outstanding volunteer record. He has been a
Scoutmaster of a superb troop and has been selected as leadership
in both national and world jamboree troops.

Because of the time frame, we have decided not to pursue this
case any further; however, I do believe that the letter is
sufficient to place Mr. Purdy on the confidential file.

We have communicated the fact that we have the letter and have
asked Mr. Purdy to disassociate himself from the Scouting
movement which has been done.

Thanks for your kind attention to this matter.

Sincerely,

JOE WYCKOFF
